

# 6 HAPPINESS BOOSTERS AT ULC

1

Coffee & Tea

No matter what time of the day it is, our coffee shops will always receive you with the best selection of coffee and tea in all its versions. Start your day with the best aroma while the sunrise comes, or slow down and enjoy the sunset with a wide varied selection of teas. There are infinite options and flavors. We believe coffee works wonders in uplifting our moods and giving us instant happiness.

3

Nature

ULC chose these specific locations in the Caribbean to host you, surrounded by a pristine selection of natural elements that could leave unbelievable encounters with its main characters and that environment we all are looking to experience these days. Get immersed in the eyes of a newborn turtle, in the sound of the birds singing or splashing in the freshwater of a cenote. [Click here](#) to meet some of our friends.

5

Music

As you have probably met every space of our home resorts, you will notice that music and entertainment are basic elements to enjoy a happy vacation. Our staff hosts countless and updated shows every week with professional performers for daytime and evening leisure. Ask your personal concierge about the program of the week and enjoy the shows!

2

Water Activities

From the high tower with 1 open slide with its 4 aqua tubes and a high-speed Kamikaze open slide at the Aquagames of Punta Cana, to the Lazy river, the diving excursions on the second largest reef in the world and the snorkel activities at the untouched Mayan ruin in Riviera Maya, the water interaction is an absolute endorphin release! Not to mention the countless pools in our home resorts where our entertainment staff will make you laugh with their fun contests. Don't forget to bring an underwater camera, because the smiles come with bubbles included!

4

Move around

We know that you might come with all your family and friends, all yearning to try what your membership has to offer. Depending on your days of stay and home resort you are visiting, we have all types of activities to move around and have an active vacation. Gym, table tennis at the beach club, pool table in our sports bar, tennis courts, beach volleyball, dance classes, and yoga but one of the most favored activity for all the family is the bike tour, schedule it with your personal concierge, the jungle adventure is waiting for you!

6

Cocktails

Yes! Tequila and Mamajuana are traditional celebration drinks that will make you happy in our home resorts. Still, you can't beat the classic pleasures of ordering drinks in our bar by the pool in Riviera Maya or having a cocktail prepared by our floating bars in our pool in Punta Cana. Your membership gives you access to enjoy every bar and choose your preferred cocktail. Remember, every Monday of the month we have theme-based welcome drinks and happy faces in our members-only cocktail parties.
